Welcome to the Sauk County Fair Bean Bag Tournament

We can't thank you enough for showing your support. The rules for today are:

 -The game will start with a coin toss

-The winner gets a choice of going first or side of boards to throw from.

-Partners must stand diagonal from each other, on the same side of the board

-Each bag thrown into the hole are worth 3 points

-Each bag thrown onto the board are worth 1 point.

Bags that are bounced from the ground onto the board are not counted and must be removed from the board before the next shot.

Scoring is completed at the end of a round, not during the round

For example: Team A throws 3 bags in the hole and 1 bag on the board for a total of 10. Team B throws 2 bags in the hole and 2 bags on the board for a total of 8 points. Team A will then earn 2 points. A players foot should not go in front of a board   while throwing or in process of throwing a bag. If one team suspects another team of crossing the fault line, please come to a mutual agreement and either remove the bag that was just thrown or continue on with the round. First team to 21 points or goes over wins.

We hope to keep this event going for years to come to help support the sport we all love.

So lets be safe and lets have some fun!

Thank you!
