The Sauk County Fair Board was excited to announce their partnership, this past spring, with the Westby Co-op Credit Union becoming the namesake sponsor of the new building. The partnership benefiting the fair, WCCU, and especially the current and future generations of exhibitors using this state-of-the-art building to house their swine, goats, sheep, and exotics. In 2022, this building exceeded expectations as exhibitors used it for the first fair. In 2023, the permanent plaques went up recognizing the donations and contributions from families, businesses and individuals giving together to secure the future of fair exhibitors for many years. With that said, we still need financial assistance from our community as we continue to pay for this project. 2023, The Year Rain Was a Good Thing!

Guests from around Sauk County and beyond enjoyed a little soggy weather, food, rides, activities and a wide selection of events during the week of July 10th-16th, 2023, at the Sauk County Fair in Baraboo, Wisconsin. The spring and summer of 2023 had been particularly dry for the area farmers and, Wednesday, the first day the animals, midway, vendors and buildings were open brought rain to the grounds! Not a sad face was seen as fairgoers put on their boots, grabbed an umbrella, and headed out to the fair. In fact, a lot of smiles were seen by almost everyone. The rest of the week did not let the weather put a damper on having fun at the fair. Although crowds were down a little, fans of the fair made the best of the opportunities to enjoy the fair! Around 35,000 people made their way to the Sauk County Fair, making it one of the favorite festival events in Southern Wisconsin. 2023 brought fairgoers new rides,

and more vendors than we have ever had. Vendors finished the week successfully with huge attendance Saturday, culminating with Scotty McCreery in the Grandstand!

Open Class

The Open Class Fair had 92 exhibitors showcasing 662 exhibits with \$1628.75 paid in premiums. Exhibitors are judged and ribbons are given out for first through fourth places. Grand and Reserve Champion Ribbons are given out in each class. Any Sauk County resident may showcase their talents in the Open Class Fair! In 2024, check out the fair book and see what you can bring! Contact the fair for information. Registration for the Open Class Fair runs from May 1-31st of the year.

Junior Fair

The week started with Junior Fair Exhibitors bringing static (non-animal) projects to

be judged on Monday. 2023 numbers included **350 registered youth exhibitors** (up 34) including youth from 4-H, FFA chapters, (Baraboo, Sauk-Prairie, Reedsburg, Weston, Wis. Dells and River Valley) Breed Associations, Church Groups, and Scouts. Youth showcased 2,234 exhibits and the fair paid out **\$6018.50 in premiums to youth exhibitors.**

Each exhibit for non-animal items averages premiums of \$1.00 to \$2.00, with animal premiums from \$2 to \$10.00. The Wisconsin Department of Agriculture, Trade and Consumer Protection directs all of the rules set by the state of Wisconsin within ACTP 160.00. Premium prices are set by the state of Wisconsin within ACTP 160.00, for all fairs requesting premium assistance.

The judging experience helps youth complete the learning process and is the key to improving skills they are learning. Special Merits were given to deserving youth as well as 23 exhibits were selected to go to the Wisconsin State Fair!

A large crowd was on hand Monday evening to watch the 2023 Cat Show. The Farm & Antique Tractor Pull on Tuesday started out the week of grandstand events. The Dog Show and Ladies' Night topped off the night. Exhibitors set up pens and decorations as the animals arrived at the fair on Wednesday. Goats and Sheep were first to show, Wednesday in the WCCU Livestock Pavilion. Open Class judging took place as well as project buildings opening to the public. Events throughout the week as well as music in the JLP Beer Garden Pavilion kept everyone busy! Carnival rides this year brought new rides that hadn't been to our fair before, to the delight of the riders.

Thursday morning exhibitors readied animals for a busy day of shows including swine, beef, rabbits, poultry and horse events. Thursday night the grandstand was busy with the ATV Flattrack races. Friday dairy exhibitors started the day early with a short lunch break highlighting the dairy auction. Friday night the domesticated exotics show proceeded even though poor weather

prevented the Badger State Tractor Pull. Saturday meat sale exhibitors prepared for the 1pm sale. Kids were excited to participate in the kiddie tractor pull. Saturday night brought talented singer Scotty McCreery to the Grandstand to a full house! Through out the week, fairgoers could get amazing choices of fair food, visit vendors and learn about where their food comes from as well as soak in a multitude of educational presentations on the FAME Stage. This year bundt cakes were the feature of the cooking contest, and we have been told 2024, will bring a cheesecake contest! The smiles of fairgoers throughout the week were the drop of sunshine the fair needed! As we plan for the 170th fair, we need you!

Watching youth, adults, and the community reunite with family and friends as they share their love of agriculture and the fair is what we are all about! Be a part of the action, plan to be at the 2024 fair!
