

## Eric Beisbier Memorial Scholarship

Eric was a farmer and life long advocate of agriculture. He exhibited animals in 4H during his youth, and was president of his FFA chapter in high school. He earned a degree in diesel mechanics. He was a dedicated 4H dad when his children exhibited animals at the fair, and at state and national cattle shows. Eric was always available to lend a helping hand, talk about anything ag related and knew that effort and hard work is the way to achieve your goals. Thank you for helping us honor his memory.
