In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department. (1m) (a) An individual shall register by submitting to the department an application. The department shall register all individuals who qualify to be judges, including having the knowledge, training, or experience in the specific classes to be judged and adhering to ethical judging practices. The registration is valid for five years. (b) An individual submitting an application after July 1 may not judge for the current fair year. (c) A fair representative may request the department waive par. (b) in cases of unanticipated emergency situations. (4) (a) Danish system judging may be used in the junior fair division. State aid may not be paid on premiums awarded under the Danish system in any other division.
